What to Bring

Meals and Snacks Please have all food either in resealable containers or bags, or provide an appropriate amount of food for your pets stay

Personal Items We ask their Names be on their items. Either on the corner of a blanket, bottom of a bed, or written on the tag of your t-shirt that you know your pet will want to snuggle with - however you write it is fine, we just ask that it be labeled with their first and last names

We have our own sanitized toys, beds, blankets, and bowls to provide to your pet during their stay!

Medication

We do not accept Any Medications that are not Prescribed by a Veterinarian, and are not in the original container with the Prescription label.

Supplements, Vitamins, or Calming Chews must be Prescribed by a Veterinarian and with its original packaging and Prescription Label, as well.
